

Merchants Request No More Sales Tax

Reduction or elimination of the federal government's eight per cent sales tax was recommended in a resolution passed at the annual meeting of the Dominion Board of the Retail Merchants Association Monday.

Raiders Get Auto, Tools

Overnight looters obtained one auto, tools and clothing Tuesday night.

John Romanuk, 950 104th avenue, reported the theft of his car, a 1933 Buick, from its parking place on 91 street near 103 avenue between 10 and 11 p.m. Tuesday.

Car raiders stripped batteries from two autos parked at the Arena between 8 p.m. and 11 p.m.

A car owned by W. B. Johnson, 10224 118 avenue, was stripped of a tire and rim.

A bench type drill press was looted from RCAF workshops.

Thieves who entered the Union Bus depot at 102 street and 100 avenue Monday, tampered with a candy show case but nothing was taken.

They gained entry by breaking a window in the building.

Baker Named For Clover Bar

Floyd M. Baker, M.L.A., will again carry the banner of the Social Credit party for Clover Bar constituency in the next provincial election.

Mr. Baker was the unanimous choice as candidate at a nominating convention of the constituency association held in Social Credit Hall Tuesday.

There were approximately 50 at the convention.

Mr. Baker was first elected in the general elections of 1935 and held the seat in the succeeding elections of 1940 and 1944.

Recently he has been director of public relations for the Alberta Social Credit League.

He was a member of the Social Credit Board until this spring, when he resigned from that body which has since passed out of existence.

After his nomination Mr. Baker urged the association to be ready for the next provincial election.

He said he did not know whether the election would be this year or next, but it is the fact that the association be prepared.

R. D. Jorgenson of Dapp, president of the Clover Bar Social Credit League, spoke on organization work.

Charles A. Kennedy, national organizer for the party, told of progress in Saskatchewan and elsewhere.

Another speaker was Mrs. T. Norneland of Tofield, president of the Social Credit Women's Auxiliary in that district.

There were delegates present from Brudenheim, Fort Saskatchewan, Lamont, Kingman, Lindbrook, McKenna, Hastings Lake and Ardrossan.

Legislature May Meet In Special Session

Members of the Alberta legislature are holding onto their hats concerning possibility of a special session of the legislature by next fall.

It all depends on the outcome of the Regina coarse grain marketing conference which began Monday.

Premier Ernest Manning, Hon. D. B. MacMillan, Hon. Lucien Maynard, and deputy minister of agriculture, O. S. Longman are attending the meet, to discuss the possibility of coarse grain marketing through the federal wheat board by the three prairie provinces.

The conference will decide whether or not a change in marketing of coarse grains is advisable. Then the provincial representative must consider whether or not it is necessary for the province to pass enabling legislation to change that marketing.

Agreement to change the marketing may be left until next year's sitting of the legislature for ratification, or may be put before a special session of the house.

In the latter eventuality, M.L.A.'s will have to leave their homes and troupes back to the legislature which they left late in March after the last regular session.

Y's Men's Club Visits City Airport

Members of the Y's Men's Club made an inspection of the department of transport facilities at the Edmonton Airport following their dinner meeting in the YMCA Tuesday evening.

Among the points visited were the airways control centre, the weather office, and the sounding balloon launch site.

The tour was conducted by Dr. Thomas G. How, head of the Edmonton weather office, and H. J. Williamson who is in charge of the radio aviation division.

Salute Honors King and Queen

Edmontonians heard four 25-pounders fire a 21-gun salute at noon today.

The salute was in commemoration of the 1937 Coronation of King George VI and Queen Elizabeth.

Firing took place at the legislative building grounds.

Members of the 20th Heavy Anti-Aircraft regiment participated.

Officer in command was Major M. Syrotuck, Second in command was A. C. Heath.

Considerable Reduction in the Present High Cost of Living

As a result of today's increased prices, an Association spokesman said, the tax is returning the government much more in dollars and cents than was the case when first imposed.

About 40 executives from the various provincial Associations are in attendance at the two-day meeting held in the Macdonald.

H. R. Renault, president of the Dominion Association is chairman.

Much time at the meeting is being taken with amendments and adoption of a new constitution.

Mr. C. E. Gerhart, Alberta Minister of Municipal Affairs was guest speaker at the annual banquet of the Association held Monday evening.

Speaking on the affairs of the Department of Industries and Labor from which he has recently moved, Mr. Gerhart advised the retailers of the potentialities for retail and industrial development existing in Alberta.

During the past 10 years in Alberta, Mr. Gerhart said, the value of manufacturing increased from \$86,000,000 to \$263,000,000.

Agricultural production from \$176,000,000 to \$438,000,000; forestry products from \$2,500,000 to \$18,000,000; and mineral production from \$50,000,000 to \$67,000,000.

Mr. Gerhart thanked the Association for the advice and assistance given the government in the preparation of the Retail Code for Fair Business Practices.

WRITERS' CRAMP was prevalent in Edmonton's Hudson's Bay Co. store Tuesday afternoon as five members of Allan Cup champions, Flyers, photographed souvenir copies of The Bulletin for more than 500 hockey fans who stormed the special booth set up by store manager H. S. A. Johnson. In front are Bud McPherson and Morey Rimstad while in the rear are Andy Clovechok, Dougie Anderson and Al Rollins.

Younger Elocutionists Given Generous Praise

Young elocutionists of under 12 years received generous praise at the Edmonton district musical festival Tuesday from Mrs. Leona Patterson, adjudicator.

Mrs. Patterson felt that this class was the first in which every contestant showed talent and an imaginative approach to the subject.

Olga Baeva was given first place in this class with 83 marks. Mrs. Patterson commented on the beautiful musical quality of the girl's voice and her excellent pronunciation of the poem which was Moodie's Canadian Herd Boy.

Winner Monday of the singing competition for girls under 12, Olga was praised for her artistic interpretation of the poem which was Moodie's Canadian Herd Boy.

Donald Peirce was a double winner Tuesday morning when he came second with 83 marks in the class for under 12 years and received first place with 83 marks in the grade six class.

The adjudicator said the boy showed "decided talent" but that he must work for a relaxed stance and poise. She praised his good concentration on the subject and noted that he had the beginning of an imaginative approach.

Arthur Sumley was second in the grade six class with 82 marks. He has decided talent, according to the adjudicator and had "a very good appreciation of the piece," which was Carry's Robinson Crusoe's Story.

Mrs. Patterson was sorry that the competitors missed the humor in the story which was satirical. She thought they could have had a lot of fun with it if they had thought through the situation.

Warning the boys and girls to concentrate as they speak, Mrs. Patterson told them to try to be "in your selection."

The adjudicator said she was delighted to see so many boys of the ages of 11 and 12 doing this work.

Judy Afferton with 84 marks and Gail Griffin with 82 were first and second in the Canadian poetry class under 8 years.

In the grade three class, Mary Jean Dea and Jane Winkelaar were first and second with 86 and 84 marks, respectively.

Jane Winkelaar was first in the Canadian poetry class under 9 years with 86 marks. Teddy Horton was second with 82.

St. Michael Woman Dies In City Store

Mrs. Mary Prochniak, 65, of St. Michael, collapsed and died in a city ambulance but was pronounced dead on arrival.

The woman has seven sons and two daughters.

Funeral arrangements are in charge of funeral arrangements.

TCA RE-ROUTED TO LOCAL FIELD

Trans-continental planes of TCA which fly through Calgary when operating on regular routes are being re-routed through Edmonton because of the condition of the Calgary air field.

Service is being maintained to that city by TCA, however, but all service is first coming to Edmonton.

The soft field at Calgary can only take two-engine planes and all larger planes are landing here.

Libraries Praised For New Interest

Efforts of libraries and certain publishers to provide interesting reading for the younger children were lauded Tuesday at a meeting of the Glenora Home and School Association.

Mrs. A. Vikse, of the children's department of the Edmonton Public Library, speaking at the meeting, said that libraries and publishers are doing a great deal towards encouraging the young people to read educational material rather than comic books.

Plans for the annual meeting to be held June 14 were made at the Tuesday gathering.

Annual reports and election of officers will take place at this meeting.

Mayor Harry Ainlay To Take Holiday

Mayor Harry Ainlay will leave Saturday for the Pacific coast on all others. He will return on the first of the week in June. Ald. Sidney Parsons will be deputy mayor during his absence.

101 Days Clear Of Traffic Deaths

Safety Squad Checking All Edmonton Vehicles

Today is Edmonton's one hundred and first day without a traffic fatality.

The city police traffic squad, under guidance of Sergeant E. A. Woodward, is endeavoring to maintain the non-fatality record.

It will carry out checks of hundreds of autos in the immediate future.

Special emphasis will be laid on brakes, lights, steering and windshields.

The law requires that vehicles be able to stop in 30 feet from a speed of 20 miles per hour.

Lights are required to shine for 200 feet, but must not be higher than 42 inches from the road surface.

Sergeant Woodward today handed out some sound advice to motorists, cyclists and pedestrians in an appeal to people of the city to protect themselves and their safety record.

Peetees of police, and causes of many accidents, he said, are drivers who pull out from the curb without looking around and without signalling.

Failure to keep to the right of the centre line, and crowding in on turns at intersections has accounted for many injuries and wrecked cars, he pointed out.

And, he continued, "a stop sign means STOP, not 'dribble through'."

The law requires headlights to be dimmed when at least 200 yards (about two city blocks) from an oncoming vehicle.

One of the commonest excuses for accidents, heard by police, declared, is: "I was blinded by oncoming lights and couldn't see."

He warned cyclists to carry lights.

"Chief trouble with bicycles," said Sergeant Woodward, "is that they don't carry lights for night riding. Numerous accidents reported here involving cyclists can be blamed on cyclists."

But his biggest headache, he said, is pedestrians.

"They must be alert as a motorist," he said. "Many a time I have seen persons walking across the street with their heads hanging down and their minds miles away."

Street car stragglers, let them selves in for injury to sudden death, he pointed out.

People begin to struggle from the curb in the face of oncoming traffic while the tram is still a block away.

Be safe, he advised. Protect your self and your city's safety record.

Hurlingham tailored of hard woven, genuine Harris Tweed in bright shades of strawberry, gold, blue and fex.

Further Pensions Boost Demanded

25 Per Cent. Increase Fails To Satisfy Some Members

OTTAWA, May 12.—(CP)—The government, offering a 25-per cent increase in war pensions, made its third and probably final attempt in Commons yesterday to settle the controversial pensions issue.

The offer, made by Veterans Minister Gregg, immediately drew renewed opposition demands for a 33 1/3 per cent boost. Liberal members, who earlier threatened to break with the government on the issue, appeared satisfied.

Opposition members said they were pleased the government had gone as far as it had. But they expressed hope it will change its mind again before the bill passes, or that it at least will provide for further increases before the end of the session.

DEBATE RESUMES TODAY
Debate on the bill providing for the 25 per cent increase is expected to be resumed today. The proposal originated with the Canadian Legion and was unanimously recommended by the Commons committee on veterans' affairs.

Some authorities say this animal, a tarsier from the Philippine Islands, may be a definite link in the chain of evolution. The tiny mammal, one of three tarsiers just acquired by the London Zoo, has an ape-like skull, leaps from tree to tree aided by sucker-like discs at the end of its fingers.

More Executions

ATHENS, May 12.—(UPI)—Press reports said yesterday that 24 more persons have been executed in Greece since the end of June. The list included a woman, in Volos, eight in Salonika, and three in Thessalonika.

Prairie Branches CFA Seek Ottawa Meeting

REGINA, May 12.—(CP)—Prairie divisions of the Canadian Federation of Agriculture will seek a conference between the CFA and representatives of federal and provincial governments aimed at removing obstacles to marketing of oats and barley through the Canadian Wheat Board.

A statement issued at the end of the two-day closed meeting of representatives of the Prairie branches of the CFA said the conference would be held in Ottawa as early as possible. The meeting has been called by the Alberta Federation of Agriculture to discuss coarse grain marketing and railway freight rate increases.

Premiers of the three Prairie provinces who attended the conference here agreed to attend the Ottawa meeting, the statement said. Delegates urged a royal commission to investigate railway freight rate structure and asked that the 21-per cent increase be suspended pending the appointment of a commission.

"The farm representatives present were unanimous in reaffirming their support of the Canadian Federation of Agriculture in asking for the handling of coarse grains by the Canadian Wheat Board," the conference statement said.

PREMIERS WILL ATTEND
"The need for provincial compensation legislation to implement the action came in for some discussion and while it was not definitely settled, the three premiers present agreed to attend a meeting at Ottawa with the Dominion cabinet and members of the CFA as early as possible.

"There was general agreement in the meeting that legislation should be implemented in the interests of the farmers as a whole and that the proposed increase in Ottawa should remove any obstacles to its early proclamation."

Montreal Man Gets Promotion

MONTREAL, May 12.—(CP)—Appointment of Robert Pirie, former chief of tariff bureau, Canadian National Railways, Montreal, to be assistant general freight agent of the company at Toronto, was announced yesterday. Mr. Pirie was born in Montreal and began his railroading career in 1917.

Calgary's Civic Payroll Boosted

CALGARY, May 12.—(CP)—New city wage agreements, involving an annual increase in the city payroll of \$297,000 yearly, will be signed today, Mayor J. C. Watson announced. The increases, ranging from \$10 to \$15 a month for most city employees, are retroactive to the first of the year.

MICKEY DIDN'T KNOW JUST WHO K-O'D HIM

SPRINGFIELD, Ill., May 12.—(AP)—Four-year-old Edward (Mickey) Londrigan didn't want his tonsils taken out at the hospital because he wanted to play prize fighter at home with his new boxing gloves and trunks.

But he agreed to go after this mother, Mrs. Estelle Londrigan, told him jokingly that the doctor wanted to enter him in a boxing match against other children at the hospital. Later, when Mickey—minus tonsils—came out of the anesthetic, he apologized to his mother: "I don't remember a thing. I don't even remember who the kid was that knocked me out."

Tie For Second Still Unbroken In Chess Meet

MOSCOW, May 12.—(CP)—Two draw games featured the 23rd round of the 25-round world chess tournament yesterday and failed to untangle the three-man battle for second place. Mikhail Botvinnik, the Russian civil engineer who clinched the title Sunday, drew with Vasily Smyslov of Russia in 17 moves. Samuel Reshevsky of the United States, and Paul Keres, Russian champion, drew in 26 moves.

Floods Threaten Western Ontario

LONDON, Ont., May 12.—(CP)—Floods threatened several western Ontario communities last night as rivers were swollen by five days' rain. Thirteen feet above normal, the Sydenham river spilled over its banks in half a dozen places. Some Wallaceburg streets were under 16 inches of water and several families moved out of low-lying sections as water crept into their homes. Dresden residents were ready to evacuate some sections.

Historic Battle To Be Recalled

TORONTO, May 12.—(CP)—The 1813 Battle of York, in which United States forces captured and later sacked the settlement which became Toronto, will be commemorated Sunday at a ceremony at Old Fort York. Canadian and American patriotic associations will send representatives.

Maritimer To Face Murder Charge

KENTVILLE, N.S., May 12.—(CP)—Hugh B. Godfrey, 30, of nearby Wolfville, faced a charge of murder last night after the grand jury returned a true bill against him at an opening session of the Nova Scotia supreme court here. Godfrey will go on trial today for the shooting killing of Lloyd B. Crowell, 49, also of Wolfville, following a drinking party last October.

DOG IS GIVEN LIFE SENTENCE

WINDSTEDT, Conn., May 12.—(AP)—Laddie, two-year-old Collie owned by Barbara Seaton, was sentenced last night to a lifetime of confinement and close supervision by a municipal court. Neighbors had sought the dog's destruction, charging he was vicious and dangerous.

We will ship to you on all your family needs, by ordering from the values listed in this ad. All orders of \$10.00 or more, with the exception of foods, will be shipped to your nearest railroad station, free of all railroad freight charges.

Women Jurors' Bill 'Talked Out' in House

OTTAWA, May 12.—(CP)—The Commons last night talked out a bill providing that one-third of any jury trying a woman should be women. At present, the question of jury service by women is governed by provincial law.

The bill was moved by T. L. Church (PC, Toronto-Broadview), who said women would be "far better" as jurors than some men. But the measure made no headway in the hour set aside for legislation introduced by private members and now goes to the bottom of the list.

Justice Minister (Isley) opposed the measure, although he said he is not against opportunity for equality for jury service between men and women, as is the case in Britain. He said he feels there is something "illogical" in the rigidity of a law which would set the number of women members at one-third.

At the same time, he also questioned the wisdom of passing legislation which might interfere with provincial jury acts.

COMPLETE EQUALITY

Mrs. Gladys Strum (PC, Qu'Appelle), lone woman member of the Commons, also was against the bill—against "anything that says you have to pick out women because they are women." If there was to be equality, it should be complete.

Benoit Michaud (L-Restigouche-Madawaska) said there was no demand for such legislation and, anyway, a jury is "no decent place for a lady." Too much "dirt" came up in jury trials.

A. L. Smith (PC-Calgary West) said all of Canada's court houses would have to be reconstructed to provide facilities for women jurors. Unless there was some demand for such legislation, jury service for women should not be made obligatory.

August MacIntosh (CCF-Vancouver East) said that if the house adopted the bill it would have to pass another providing that when men are tried one-third of that jury should be men. There would have to be equality for both sexes.

H. W. Hordidge (People's CCF-Kootenay West) said he thought the bill a good idea. Women would have a better understanding of women's problems.

The money, in a bag, was found on a girder Friday by a gang of CIPR painters working on the Mountain street bridge. The money was turned over to railway investigators who notified Ontario provincial police.

Dominion's Labor Authority Debated

Committee Defers Consideration Of Power—Defining Clause

By John Leblanc

OTTAWA, May 12.—(CP)—Argument over the power of the Dominion to assume jurisdiction in labor relations developed today before the Commons industrial relations committee.

Uphold of the debate was that the committee deferred consideration of a clause in the government's proposed labor code that would define the scope of federal authority in labor matters.

Controversy broke out, too, over provisions of the code authorizing the government to exempt employees of the crown and crown companies from collective bargaining under the proposed statute. Action on these clauses also was deferred.

A third section from which the committee temporarily withheld its approval was one dealing with enforcement of the code. The proposed measure would have disallowed lay charges before the courts, but CCF members insisted the government should have full responsibility for enforcement.

CHANGES MADE

As it continued clause-by-clause study of the code in preparation for third reading in the Commons, the committee made these changes from the original bill.

1 Deleted a clause that would have barred lawyers from appearing before conciliation boards except with the consent of all parties concerned.

2 Revised the section providing penalties for unfair labor practices. Fines of \$100 for individuals and \$1,000 for unions or corporations were recommended. Originally, the penalties were \$200 and \$500.

A major section which was approved without expected fireworks

Vegreville Ladies Elect Golf Heads

VEGREVILLE, May 12.—Mrs. W. Cobble was chosen president of the Vegreville Ladies' Golf Club at the annual meeting. Other officers are: vice-president, Mrs. J. Jennings; secretary-treasurer, Mrs. W. R. Belcher; captain, Mrs. P. Korha; assistant captain, Mrs. A. W. Shaw; handicapper, Mrs. C. B. McClure; social convener, Mrs. E. White.

Maltese Immigrants Arrive Next Week

HALIFAX, May 12.—(CP)—First group of immigrants from Malta—125—will arrive at Halifax next week aboard the United States transport Marine Perch. It was learned yesterday. The Marine Perch sailed from Naples, May 6. Also due next week is the Marine Juniper from Bremerhaven with 300 immigrants.

will hold unions responsible in the courts for the actions of their officers and "agents."

The Canadian Congress of Labor in a brief to the committee had objected to this clause. The Canadian Manufacturers' Association had contended it did not go far enough and should also make unions responsible for acts of their individual members.

IT'S A GOOD HINT ANYWAY

NEW YORK, May 12.—(AP)—Page, do you own 22 neckties? Do you buy or does somebody thrust upon you 13 neckties a year?

If these figures hit the bull's eye, you are "the average man" as selected in a survey of 22 merchants composing the style committee of the National Association of Retail Clothiers and Furnishers co-operating with the Neckwear Institute.

The stylists weren't unanimous. You can squeak by with only 12 ties in a pinch, but to be really safe you ought to have 40, they figure. And if you buy only 4 ties a year you get passing marks. However, 22 new ties a year puts you at the head of the class.

Father's day is June 20.

Factory Burns

SINGAPORE, May 12.—(AP)—Fire destroyed part of the big Seng rubber factory yesterday. Damage was estimated at £300,000 (\$800,000). Fire officials said they suspect arson.

SIGN BOARDS "OUT" ON B.C. HIGHWAYS

VICTORIA, May 12.—(CP)—Action to ensure that provincial highways do not become plastered with sign boards was taken by the British Columbia government yesterday.

By order-in-council placing of signs, signboards, notices or any advertising device within 1,000 feet of any highway is prohibited.

This is the first action taken by the government under 1947 amendments to the Highways Act which gave wide powers for the government to regulate what is placed along the borders of B.C. roads.

The same act empowers the government to require the removal of any signs, guide posts or advertising now placed along the highways.

Europeans See Glimpse Of Hope for Full Peace

By Tom Williams

LONDON, May 12.—(AP)—Europeans, official and unofficial, seized today upon Russia's announcement of her willingness to talk things over with the United States as a glimpse of hope for lasting peace.

The general reaction was there may be much to gain and little to lose by such talks, no matter whose idea it was.

The French expressed optimism. Maurice Schumann, president of France's Mouvement Republicain Populaire party, said:

"American firmness and the promptness with which the 16 'Marshall Plan' nations pushed their efforts to union and organization, the cominform's setback in France and Italy, all are beginning to bear fruit."

Leon Blum, former Socialist premier of France, said it now is possible that there may be a "frank and loyal entente between Washington and Moscow" which could mean peace and security for all humanity.

Florimond Bonte, a member of

the French Communist party's central committee, said "it is certain that the announcement of the negotiations is going to raise a great hope in the world."

In Rome, Foreign Minister Carlo Sforza declared:

"Silences are dangerous, and conversations never are. It is for this, holding peace above all else, that I am happy contact has been made between Washington and Moscow."

British and European newspapers echoed these views. "America is big enough and strong enough and earnest enough in her will to peace to take up Mr. Molotov's offer without loss of face or prestige," the Daily Express said, and the same view was echoed in almost all other London papers.

"A chance is offered, if a slender one, of a way out," the Manchester Guardian said editorially.

Thunderbirds Win In Olympic Series

TORONTO, May 12.—(CP)—University of British Columbia Thunderbirds breaking out in the second half of their Olympic basketball trial final here Tuesday night, romped to an easy 48-34 victory over a Montreal Young Men's Hebrew Association five. University of Western Ontario won the opening trial, defeating Vancouver Clover Leafs 43-40.

Because industry is organized to get results, it can make a large contribution toward the health of the nation, health experts say.

Bomb Delivered To Country Home Of British General

LONDON, May 12.—(AP)—A foot-long bomb was delivered by mail yesterday to the country home of Gen. Sir Evelyn Barker, former British commander in Palestine, home office experts announced. The bomb, delivered to Sir Evelyn's home in Cobham, Surrey, contained a high explosive, probably gelignite, the home office said. It had been mailed in London. A servant became suspicious and called Scotland Yard. Both Gen. and Lady Barker have left their home for an undisclosed destination, and the grounds have been closed by police.

'Iron Curtain' Pickets Clash

NEW YORK, May 12.—(AP)—Fist fights broke out last night between pickets protesting the showing of the movie, "The Iron Curtain," and Catholic war veterans who set up a counter picket line. Police said the clash occurred shortly after 11 p.m. in front of the Ritz theatre, where the 20th Century Fox film opens today.

The movie, starring Dana Andrews and Gene Tierney, is based on the story of Igor Gouzenko, former code clerk in the Russian embassy in Ottawa, whose revelations broke the Canadian spy case. Scenes for the movie were shot in the Canadian capital.

Placard-carrying pickets began marching in front of the theatre about 11 p.m., police said. They identified themselves as members of the New York committee against war propaganda.

Police said the Catholic veterans had been waiting in the area since about 7 p.m.

When the pickets appeared they established their own picket line and fights ensued. A force of 180 police stopped the disorders after half an hour.

(Cleveland Barons) Solinger, and Cy (Pittsburgh Hornets) Thomas. All will be in action Wednesday night in the EAC all-star game at the Arena except Solinger who was married this morning. —Photo by Bland

Flyers Take Honors in Banquet Loop; "Officials" Young and Watt Look On

Flyers are well into the dine and banquet league by this time. Tuesday night it was Bob Bradburn, well known local sportsman—businessman, who played host to Edmonton's first Allan Cup winners.

The whole shebang turned up, too, including Coach Frank Currie, the sensational Al Rollins, hockey "Pug" Young, the fast-skating Freddy Smiten and the rest of the popular cast.

As well as a number of former teammates and associates who made the step to pro ranks were along for the ride. Included were Cy Thomas, last season's league circles and with Chicago, Toronto and Pittsburgh this year, Bill Gadsby, Chicago, Bob Carse and Bob Solinger, Cleveland, Jack McGill, Hershey.

Mayor Harry Ainlay occupied a prominent place at the head table as did Chief Constable Reg Jennings. Close by were "Honorary Mayor" Gordon Watt, Flyers captain, and "Honorary Chief Constable" Harvey (Pug) Young.

Earlier in the afternoon defence for the Flyers had been confirmed in these "offices" by Mayor Ainlay.

In all close to 50 sportsmen were in attendance.

FUN IN ABUNDANCE
There was fun in abundance for all. One feature that considerably stepped up the enjoyment of the affair was a ban on speeches.

Except for chairman-host Bradburn and Hal Stratton, publisher of The Bulletin, none of the participants took to the rostrum.

After bidding welcome to all Bradburn expressed the hope that Flyers would come up with an equally strong club next season. He suggested that now was the time to get players on the line, not next fall.

Mr. Stratton told his listeners that the victory of the Flyers, because it was so thoroughly based on team-play, was the greatest thing he ever had seen in sport.

"And," he added, "I've been close to sport for a long time. I used to write it."

Athabasca To Hold Huge Boxing Show
The Athabasca Branch of the Canadian Legion is sponsoring "spectacle of sport" over the May 24 holiday.

On the evening of May 22 the Athabasca skating rink will be the scene of the first and District Open Boxing Championships. Entries in this event are restricted to residents north of Clyde.

Provincial intercollegiate boxing titles are on the line during the May 24 afternoon. Weight classes run from 70 pounds through 13 divisions to the heavyweight bracket. Intercollegiate wrestling championships are an added attraction on this year's program. They are scheduled for May 24.

WHAT DOES HE LIKE IN THE BREAKNESS?

BLACK DIAMOND, May 12.—(CP)—What is believed to be a record in small-town wagers was achieved by C. R. Clennett of Black Diamond, Alta., in bets on the final game of the Allan Cup series between Edmonton Flyers and Ottawa Senators in Calgary last Saturday.

Mr. Clennett had wagers as follows: "The series would be completed in five games; Senators would get the first goal (they did); Edmonton would win; whoever got the first goal would lose the series."

In addition Mr. Clennett had a ticket on a local "pool" showing Senators leading 3-2 at the end of the second—they were.

Gold and Blues Play In EAC Benefit Game

Follow up to the Flyers winning the Allan Cup is billed for the Arena Wednesday night at 8:30 p.m.

It will be the occasion of the annual EAC all-star hockey match, with the participants for the contest selected from the Flyers and puckchasers who have learned considerable hockey in years past while playing in the EAC chain.

The Allan Cup went to the line. One squad will be called "Gold" and the other "Blues," with Dan Corrigan and Lowell "Lefty" Grove the respective coaches.

WEALTH OF TALENT
Corrigan, coach of the great EAC team of 1934, will have the following at his command:

Doug Stevenson, goal; Mac Colville, Bill Gadsby, Eddie Cutts and Phil Samis, defence; Mory Rinstad, Andy Clavechok, Bill Maher, Johnny Black, Doug Anderson, Bing Merlik, Elmer Kreiler, Freddy Smiten and Alec Grove was the head man of the 1938-39 Clubmen who lost a Memorial Cup battle to Oshawa Generals and Billy Taylor. His roster is as follows:

Al Rollins, goal; Pug Young, Gordon Watt, Bud MacPherson and Bill Gauf, defence; George Agar, Bob

CANADA IS ALL EXCITED about Jockey Johnny Longden, above right, riding 3,000-odd winners, but Gordon Richards, left, brought his total to 3,526 with three wins Tuesday, a world's record.

RED SOX DENY JOE MCCARTHY LEAVING CLUB

BOSTON, May 12.—(AP)—Five successive defeats have started "What's wrong with the Red Sox" chant again, but the Boston club Tuesday denied rumors manager Joe McCarthy had quit.

"Travelling secretary Tom Dowd told a reporter, 'As far as I know, McCarthy's still manager. And if I know the man well, he's not losing. He isn't built that way.'"

The Red Sox, picked by many experts to win the American League pennant, have won eight and lost 11 in their first 19 games under McCarthy.

Carse, Johnny Chad, Johnny McCormack, Don Gauf, Tommy McCready, Jack McGill, Harry Allan and Cy Thomas, forwards.

Cecil (Tiger) Goldstick, Houston Hinkley, and Doug Hardy, regular fly conditioner, will act as trainers.

Doug Stevenson, goal; Mac Colville, Bill Gadsby, Eddie Cutts and Phil Samis, defence; Mory Rinstad, Andy Clavechok, Bill Maher, Johnny Black, Doug Anderson, Bing Merlik, Elmer Kreiler, Freddy Smiten and Alec Grove was the head man of the 1938-39 Clubmen who lost a Memorial Cup battle to Oshawa Generals and Billy Taylor. Seek Promoter For Escoc-Oma Fight in City

Is there a promoter in the house? For want of a gent with a bankroll from which he is prepared to take the elastic what shapes up as a top grade fight attraction may be lost to Edmonton.

REMEMBER VERN ESCOE?
Remember Vern Escoc, the Canadian heavyweight champion who gave Gordon Grayston such a good going over at North West Air Command just about a year ago? It seems Escoc's manager, Jimmy Jones, wants his boy to do a repeat before an Edmonton crowd.

Jones has offered the fight to Barney O'Connor, former matchmaker for Edmonton boxing events. He wants O'Connor to contract for Renfrew Park and bring Escoc and Oma together under the lights.

Escoc's opponent this time would be none other than Lee Oma, well rated heavyweight who once copied a duke at the expense of Jersey Joe Walcott, leading contender for Joe Louis' crown.

However, O'Connor, due to pressure of business, is unable to accept what he considers a great opportunity to bring a worthwhile and profitable (he says) fight to Edmonton.

Is there, then, another promoter in the house?

Locke's West Tour to Start In Mid-August

VANCOUVER, May 12.—(CP)—Golf enthusiasts from eight Western Canada cities will have an opportunity this summer of witnessing the putting wizardry which has made Bobby Locke, South African professional, one of the top link artists on the continent.

Stan Leonard, Marine Drive Golf Club pro here who will accompany Locke, said Tuesday night the two-week exhibition tour would start from Winnipeg about mid-August and work west.

Cities in which the two golfers would give exhibitions included Winnipeg, Brandon, Regina, Saskatoon, Lethbridge and Edmonton. Leonard said three other cities would also be included, but arrangements were not yet completed.

Carse, Johnny Chad, Johnny McCormack, Don Gauf, Tommy McCready, Jack McGill, Harry Allan and Cy Thomas, forwards.

Cecil (Tiger) Goldstick, Houston Hinkley, and Doug Hardy, regular fly conditioner, will act as trainers.

Doug Stevenson, goal; Mac Colville, Bill Gadsby, Eddie Cutts and Phil Samis, defence; Mory Rinstad, Andy Clavechok, Bill Maher, Johnny Black, Doug Anderson, Bing Merlik, Elmer Kreiler, Freddy Smiten and Alec Grove was the head man of the 1938-39 Clubmen who lost a Memorial Cup battle to Oshawa Generals and Billy Taylor. Esks Likely to Start Lefty Belter Friday

Morris Drops McGill Into Clean-up Slot

For more than a decade first as a Junior League phenom and of late seasons as a Senior League standout—Ed (Lefty) Belter has gone his way as one of western Canada's top silly-arm operators. He's had his good games and his bad. But mostly he's been on the right side of the won-lost ledger when it came time to stow the spikes for the winter.

Off what he's shown in training so far this season the little portly slider looks like he's in for another of his good years. And Tuesday night following an inter-camp exhibition between Esks and Cubs, manager Ed Morris of the former a much said right out loud that he would go with Belter as his pitcher when Esks open the Big Four League season at Renfrew Park Friday night.

Calgary Buffaloes will be Esks' opponents.

MCGILL TO CLEAN-UP
As well manager Morris indicated he would drop outfielder Jack McGill into the clean-up slot in the batting order.

Apart from having Belter and McGill pretty well fixed in their roles Morris wasn't too certain about anything else. He will know more by Thursday night.

FROM THE PRESS BOX: Among the younger hurlers to impress in Tuesday's exhibition were Al Purvis, with Calgary Junior Legionnaires last season, and Don Simon, of 1947 EAC aggregation, another junior team. At 17 years of age the latter appears to have a brilliant future. He's something of a strong arm. . . . Purvis, for his part, could easily draw a much better crowd than the Harney-men invade Calgary Friday to open the season against the champion Purvis 20.

Doug Stevenson, Cub backstop, hit the longest ball of Tuesday night. . . . It was a ball that carried to the scoreboard close to 400 feet away for the first hop. . . . The stylish Tommy (Red) McCarthy was the victim.

Renfrew lesses Ducey and Beatty are highly pleased over the condition of the new grass infield. . . . There's every indication that with the advent of summer weather, together with the summer rains, the greensward will take on that velvety look. . . . lights

Tommy Kennedy, former infielder with Vancouver, Yorks, and a fine impression on the management of Edmonton Motors Club. . . . Speaking of inner circle, the pitcher, the 20-year-old Jack Bartlett, a shortstop who comes well recommended by the club's management, is slated to join Esks at the weekend. Bartlett's home is in Ventura, California. . . . Colin Kilburn is having some difficulty making the third-to-first base. . . . Fred Lupul will be out of the lineup for Franks' opener. The others? It's not definite—MOHER.

Legion Practice
Narrowed Legion 178 senior football team will hold a practice at Queen's ave. school grounds at 6:30 p.m. Wednesday.

BULLETIN

EDMONTON BULLETIN, Wednesday, May 12, 1948

CAMPBELL TOSSES 'POSIES' TO FLYERS

This is the season to throw garlands at the Edmonton Flyers. And in keeping with the trend is Clarence Campbell, another Edmonton son who has made good under hockey's Big Top.

In a communique to The Bulletin sports staff Tuesday, the president of the National Hockey League wrote:

"The victory of the Flyers is a very fine thing for Edmonton, and I have no doubt that it will produce a tremendously enthusiastic response amongst the fans there. A great deal of credit is due to the organization, but I think that Frank Currie is probably entitled to the major portion of it."

The major league prexy could take a bow himself as far as Currie's success was concerned. At a dinner tendered him last August, Campbell told a body of local sportsmen that Currie would do a "good job" at the helm of the Flyer crew.

Strictly Personal

By Jim Algeo
Although he admits pre-nuptial talk is a little premature, Murray Saldman, manager of Walk-Rites of the Senior Ladies' Football League, is sold on his title-winning chances this season.

"We have the team to beat," he boasted Tuesday night. . . . It will be stronger than last season when we took the city title. Saldman thinks he holds the ace in the hole. . . . in a capable hurling staff and a sprinkling of new blood here and there throughout the lineup.

While lack of capable hurlers appears to be a glaring weakness in the other three entries (Mortons, Burns and South Side), Saldman is high on his staff of Al Gould, Ruth Hays, Eleanor Macintosh and Betty Dunn. . . .

Mortons may have a little trouble getting Miss Jensen's signature on the line as Walk-Rites are reported hot on her trail. Hurling is the big "in" for Mortons and McGreevey admits he is in the market for a good pitcher. . . . There's still a chance that Edna Squires, ace hurler last season, will be with us again. . . . If Edna does make a return and reaches her last year's form, McGreevey's troubles will be just about over.

Mike Panethyphay will manage the South Side entry, with Colin Kilburn, who chased pucks for Wetaskiwin Canadians this past winter, helping out. Burns are taking the step up from the intermediate league. . . .

With rosters loaded with seasoned performers and new blood as well, focus freely through the veins of both senior men's and ladies' football teams. Kingsway Park is in for a banner year of ballhawking under the lights.

"Play Ball" will ring out when Mayor Ainlay fogs in the first ball May 23, with Walk-Rites matching base hits with Mortons starting at 2 p.m. A senior men's game will follow, but competing teams have yet to be decided.

McGreevey is hoping his roster will be bolstered by four or five "imports" from Saskatchewan and Calgary, who are now residing here. . . . Doreen Fanning,

Soccerites Educating Toes; Promising Season Forecast

By Bert Greer
About this time every year certain athletes get itchy toes.

They are members of the soccer fraternity, and a couple of dozen of them were out on the east field of Clarke Stadium Tuesday night, sharpening up those toes and improving their physical condition for what promises to be another good season.

The practice was called by the Oliver St. Pats, but a number of Maple Leaf juniors, who are playing senior this season to acquire a little more experience, were also on the field. Among the Leafs were Phil Samis, Toronto Maple Leaf back, and outside right Sam Davidson and Teddy James, who can play practically any position.

An interested spectator was Martin Collingwood, manager of the North Side Legion, whose team won the Edmonton League title, the provincial crown and reached the semi-finals of the Western Canada championship last season.

The consensus of the gathering Tuesday night was that the North Side club would be the team to beat again this season. But that hasn't dampened the spirits of the other club, but is hopeful of doing better than last year. At the moment they're attempting to build formidable lineups that will eventually give any team a good run for its money.

The Leaf juniors, who couldn't find opposition last season, played a number of games with the seniors and had developed into a smooth-functioning machine when playoff time rolled around—so smooth, in fact, that they successfully defended their provincial title.

St. Pats have been fortunate to acquire a going concern who has arrived from Grimsby, England. He is Bill Hoskins, who learned most of his soccer in his home town, is only 18 years of age, but appears to be handy with both feet. Hoskins is only average height, but can run like a deer.

Oliver has already lined up some high-class talent, including Tommy Mason, inside left, who performed with the South Side Legion last season; Eric Johnson, centre half; Bob Wade, playing coach, who takes his position as outside right; Sam Davidson and Teddy James, who can play practically any position; Mel Macintosh, left back; Tom Davis, right half; Arthur Leacy, who may wind up between the posts; Pat McCambridge, South Side last year, and Rusty Turner, also with South Side last year.

Joe Durocher, an Oliver youngster, is expected to play a few games, and George Bryant and J. McDonald, last season's goalie, are listed among the probabilities.

Dr. F. B. Jordan is president of the club, George C. Hall secretary, and Jimmy Kerr manager.

Moher ON SPORT

By STAN MOHER, Editor

Gene Bearden No Piker

That bull pen promised for Renfrew Park before two long reminders of an incident in Detroit last week as the Tigers battled the fast travelling Cleveland Indians.

The one and only Bob Feller was on the firing line for the Ohiolans. However, he was working with a blistered finger. As a precaution Manager Lou Boudreau ordered Gene Bearden, a relief specialist, to the bull pen.

He was to be ready . . . in case. However, Feller went along swimmingly, sore finger or no. Bearden was forgotten. In fact no one remembered him until five minutes after the game was over.

A search party was sent to look for him. They found him . . . in the bull pen. And the odd part was that he was still hard at it, doing his warm-up stint in case Feller ran into a peek of trouble.

This could hardly happen in Renfrew Park, however. The proposed 'fire-hill' will be situated in centre field, in plain view of the proceedings.

Even the southpaws are certain to know when the last ball has been tossed for the night.

Silver Seven Cagy Squad

Col. George B. McLeod wants to get into this discussion as to when an Edmonton team first challenged for the Stanley Cup. He remembers a local squad heading east in 1907. The westerners lost to Montreal Wanderers. The next year the Edmontonians were right back for more punishment. This time the eastern opponents were Ottawa's famed Silver Seven.

According to Col. McLeod the vaunted Silver Seven weren't too happy about facing an Edmonton team that included in its lineup such great players as Lester and Frank Patrick, Fred Whitcroft and more.

Particularly the Ottawans were anxious to get the Patrick brothers out of the picture. Knowing that the pair, natives of Victoria, were anxious to return home the Silver Seven strategists stalled around until the Patricks finally were forced to chuck it all.

Then a two-game series was played and Ottawa took it all. Col. McLeod thinks it odd that just 40 years later Edmonton should reverse the tables at the expense of a team from Canada's capital.

An Old Cleveland Custom

Gail Egan, head scout for Cleveland Barons, and his wife were among out-of-town guests scheduled to attend the Wednesday morning wedding of Bob Solinger and Miss Jean McDonald of this city. . . As well as Johnny Bower, Julian Sawchuk and Ed Kelly, Cleveland teammates of Solinger, were among the guests. . . Bower, in fact, rated close to top billing as best man. . . Chicago Black Hawks will hold a puck school at Moose Jaw in September. . . Previously the Hawks staged the classes at Regina. . . The season's prize tug-of-war might develop should the Edmonton Exhibition Association decide to make it interesting enough for Goalie Al Rollins to stay with Flyers next season instead of hooking on with Chicago or one of its affiliates. . . The curly-haired puck-stopper is very contented with his Edmonton lot, despite the lure of the big leagues and the fat pay cheques that go with success under the Big Tent.

Tony Chulita, little Cub second sacker, has shed seven pounds since reporting to Manager Laurel Harney 10 days ago. . . He's down to 138. . . Johnny Longdon has private life, which he describes as big enough to hold four people or five jockeys.

Wardien With Purity After Football Release

CALGARY, May 12.—(CP)—Darrell Wardien, triple-threat halfback with Calgary Stampeders in the Interprovincial Football Union last year, has been given his unconditional release and Tuesday was declared a "free agent" by Coach Les Lear.

According to Coach Lear the Great Falls glider was let go because he missed workout and wasn't putting forth his best effort. Wardien was brought to Calgary from Seattle this year for a tryout with the 1948 squad.

The U.S. back will remain in Calgary to play in the outfield for the Purity Baseball Club in the Big Four Inter-City League. Wardien's only comment on the subject was:

"I'm not worried where I play football this year."

Wardien would give no indication as to whether he was considering other offers. Loyell, younger brother of Darrell, who has also been trying out with the club, has also stopped drilling with the squad.

BIG MOMENTS IN SPORT

25 Years Ago

From The Bulletin Sports Files

Clover Bar footballers, who have been at the wrong end of the second division since the season started, administered a severe beating to the hitherto unbeaten National Athletics by a 2-0 score at the South Side Athletic Field. Adamson and Ramage booted a goal each for Clover Bar.

Boxing promoter Louie (Kid) Scaler has completed arrangements for a 10-round bout between De Calvert, the provincial 145-pound amateur champion, and Abe Podersky to take place May 22 at the Temple Theatre.

PRESIDENT HENRY ROCHE, right, of the Big Four Baseball League is on the hunt for umpires. Tuesday morning he was caught trying to interest Sid Vernon of The Bulletin pressroom staff and former player in organized baseball, in calling them at Renfrew Park.

—Photo by Maud

Reynolds Scalps Indians For 5th-Straight Victory

NEW YORK, May 12.—(CP)—Two winning streaks met full-till in the American League Tuesday and Cleveland Indians' five-game victory skinn shattered in the impact.

Allie Reynolds, the Cherokee Indian who used to do his pitching for the Indians, scattered nine hits to give New York Yankees a 4-1 win and chalked up his fifth victory of the season without a loss—the best hurling record in the majors.

Reynolds yielded Kenny Keltner's 10th home run of the season, but he was unbeatable with men on base, leaving two of his former mates stranded in each of the seventh and eighth innings.

Bob Lemon, the Tribe's most consistent pitcher, yielded all four Yankees runs and had most of his trouble with Charlie Keller, who collected two doubles and a single.

DEEPER INTO CELLAR

The hapless Chicago White Sox dug themselves deeper into the cellar, dropping an 8-0 verdict to Boston Red Sox for their 13th loss in 16 starts. Boston's Jack Kramer allowed only one base runner as far as second base in his sixth-pitch performance.

Two home runs by Vern Stephens and a third by Bobby Doerr did for Chicago starter Gene Moulder in the first three innings.

In the National League, Bucky Walters missed out in a bid for his 19th victory when Philadelphia Phillies got their hits when they needed them to down Cincinnati Reds 4-3. Del Ennis clubbed a homer, two doubles and a single to lead Phils into fourth place, Ed Heusser, who held the Reds scoreless in the last 4 1/3 innings, was the winner.

AS FORGE TO TOP

St. Louis hurler Fred Sanford made an outright gift of first place in the American League to the Philadelphia Athletics Tuesday night when he walked in the winning run in the 11th inning to give the A's a 3-2 victory over the Browns. The win left them a full game ahead of Cleveland.

The win—Philadelphia's ninth straight—was credited to Phil Marchildon, who mowed down the Browns all the way until the eighth inning, when his own wild throw sent two base-runners scampering home.

Two triples, each good for two runs, by outfielder Vic Wertz gave Detroit Tigers a 4-1 win over Washington Senators to snap a three-game losing streak. Virgil Trucks gained credit for the win, but needed help from Stubby Overmire in the ninth.

CAC Practice

Canadians of the junior baseball league work out regularly Tuesday, Thursday and Sunday at 104 Street and 118 Avenue. Times are 7 o'clock on week days and 9:00 a.m. on Sundays.

Sandlots Kept Busy As 'Kids' Play Ball

Four Midget Clubs Among City Minors

By DICK BEDDOES

Across the city from Calder to South Side, and Eastwood to Westglen, baseball's are plunking into catchers' mitts and runners are sliding into second base.

For the sandlots are in tune with the general baseball revival. Midget, juvenile, and junior ranks are forming the feeder system which may one day send a steady stream of ball sharks to Renfrew Park, and beyond.

The Maple Leaf organization, under the capable Earl Samis, has the only midget baseball loop in Edmonton. Four clubs form this bluebird circle for players under 16. The league gets away shortly after May 24.

At the moment juvenile activity is limited. But final details for a seven-team circuit will be ironed out at a meeting Wednesday night at USO. Slim Powell, Bill Bull, Hill Robinson, Lou Hatt, and President Emory Callahan of the junior league form the provisional committee for organizing juvenile baseball.

HIGHLANDS WON LAST YEAR

Highlands won the championship in 1947. Competed in the 1948 campaign will be provided by North Edmonton, Westmont, Highlands, Calder, Maple Leafs, Sea Cadets, and South Side.

The junior scene is mobile. Mr. Callahan's loop also meets Wednesday night at USO following the juvenile confab.

With opening date less than two weeks away on May 23, Canadians, kinsmen for the past two seasons, swung into action Sunday. No fewer than 30 candidates attended this first workout of Ed Reschke's fledglings.

Holdovers include catcher Doug Ringrose, first sacker Jack Sugden, shortstop Len Karlsen, third baseman Elmer Noon, and outfielders Doug Anderson, Len Bjarnesen, and Ken Beaman. Tommy McGregor, slim right-hander who fired the Canucks past Cadomin in the northern Alberta final last September, is the only pitcher remaining.

Don Bailey, a dark-haired husky from Tofield, is another infielder who has been signed. Manager Reschke has several other prospects in mind—but he's not saying who until they've inked a Canadian contract. Gordon Moore is head coach, and Eric Hernblad completes the CAC front office as director of baseball.

HENDERSON TO MANAGE Earl Samis has Chuck Henderson on the line to manage Maple Leafs.

Juniors Poised For Swimming Meet Friday

Class of the city's junior swimmers will be seen in action Friday night at the North West Air Command pool, when a gala will be held in connection with the Boys' and Girls' Fair.

Some of the outstanding performers are Dick Munro, who holds the provincial 50-yard free style record for junior boys; Doug McNabb, prominent distance "paddler"; Ken Watson, also a near the top in every meet, and Ted Leach, up-and-coming junior.

The Elliott twins, Doreen and Doris, who represented Edmonton in the Canadian championships at Vancouver last fall, will be among the top contenders in the girls' section.

The meet is open to all juniors and there will be events for youngsters 10 years of age and under and from 18 years to 16. It will be run according to Canadian Amateur Swimming Association rules and regulations.

Hermie Laub will represent the Alberta Amateur Swimming Association, with Doug Leitch, Norm Swail and Tommy Hale acting as judges and timers.

The Vic Horner trophy will be presented to the boy competitor compiling the most points in the entries.

Entries will be accepted until 7 p.m. Friday.

CORK TIP and PLAIN

FLAMBOYANT ERA of American theatre history during the Gay '90s is depicted in the Warner Brothers' film, "My Wild Irish Rose" starting a six-day engagement at the Capitol theatre Thursday. Lillian Russell, fabulous beauty of Diamond Jim days, is played by honey-blond Andrea King (left), with Dennis Morgan in the starring role and Arlene Dahl.

Late Sowing Season General Across Canada

OTTAWA, May 12.—(CP)—Seeding conditions have been "extremely variable" across Canada so far this season, the Dominion Bureau of Statistics said yesterday in the first of its 1948 series of telegraphic crop reports covering the Dominion.

On the prairies, wet weather and low temperatures have delayed drying of the land and seeding cannot become general before May 15 to 20. Some seeding has started in Southern Alberta and Saskatchewan and at scattered points in Manitoba.

Spring work is exceedingly late in Alberta. Little seeding has been accomplished except in the south-east portion. Provincial officials estimate that, with good weather, seeding could become general before May 15 and May 20.

Soil moisture is excellent through the province but excessive moisture on many fields may seriously impede seeding operations. Under these conditions many correspondents consider that wheat acreage may be reduced, with coarse grains being substituted.

The availability of seed may, however, be a determining factor since supplies of coarse grain seed are less plentiful than wheat.

Feed supplies are reported short in many districts, with livestock in fair to poor condition. Reports from the Athabasca and Peace River areas indicate that seeding cannot become general before May 15 to 20. Entomological authorities state there are no insect problems and that the effect of the very late season and excessive moisture on the insect situation cannot yet be evaluated. Average precipitation for the province since April 1 has been 117 per cent above normal with mean temperature for the week ended May 10 being 1.5 degrees below normal.

Cold, dry weather has prevailed through the Maritimes. Work on the land is general in New Brunswick, with seeding under way on well-drained soil there and in southwestern areas of Nova Scotia. Elsewhere, however, operations have been delayed.

In Ontario and Quebec, the season is more advanced than usual, with weather generally favoring field work in both provinces.

In British Columbia, a late spring has delayed operations but warmer weather will permit rapid progress. Fruit crop prospects are reported "promising."

Gardiner Will Talk—But Just Once

OTTAWA, May 12.—(CP)—Agriculture Minister Gardiner indicated in the Commons Tuesday night he will answer questions about meat prices in the chamber itself or in the price committee—but not both.

He was referring—without saying as much—to attempts by the prices committee to have him appear there to elaborate on statements he made before the Commons last Friday during study of his estimates.

Senate Passes Insurance Bill

Higher Rates of Pay And Larger Contributions Adopted

OTTAWA, May 12.—The senate yesterday passed an amendment to the Unemployment Insurance Act which increases the benefits and raises the salary level under which employees must contribute to the scheme.

The House of Commons has already passed the bill. It now is ready for Royal Assent.

Under its terms, the maximum benefit for married persons is increased from \$14.40 to \$18.30 a week, or from \$2.40 to \$3.05 a day. Maximum benefits for unmarried persons is boosted from \$12.30 to \$14.40 a week, or from \$2.05 to \$2.40 a day.

The bill changes the insurable annual ceiling from \$2,400 to \$3,120 for monthly-rated employees. No ceiling exists for hourly-rated workers. Shift workers in many workers into higher earning brackets made the change necessary.

EMPLOYERS PAY MORE The legislation also increases the top class—class No. 7—employer's contributions from 27 to 36 cents a week, the 16p employee contribution remains 36 cents.

Earlier in the day the senate committee on immigration and labor recommended the bill for adoption after C. A. L. Murchison, unemployment insurance commissioner, gave a two-hour explanation of the insurance scheme in general.

Replying to a question from Senator T. A. Creer (L. Manitoba), he said that \$3,947,000 was paid out last year in unemployment benefits. There was \$447,000,000 in the insurance fund at present.

"How long would that fund stand up against a very serious unemployment condition across Canada?" asked Senator Creer.

Mr. Murchison estimated that with 20 per cent of the insured population unemployed, the benefits would last "about two years."

It is, an island of the Inner Hebrides, Argyllshire, Scotland, is celebrated in history from its connection with Saint Columba, who lived there about 565.

NO CONTROVERSY ON THESE MENUS

WASHINGTON, May 12.—(AP)—The guy or gal who recently prepared sample menus for the United States department of agriculture to show how cheaper foods often may be substituted for scarce ones, certainly knows how to walk that straight narrow line.

The menus were published in the middle of a congressional argument over which is better, butter or oleomargarine. The menus avoid any controversy—they don't mention either.

Russian Bloc May Buy More U.S. Merchandise

WASHINGTON, May 12.—(AP)—Charles Sawyer, new United States secretary of commerce, is drafting a trade-policy statement which will let the Russian bloc buy more American goods.

But officials who disclosed this today said the clarification of the tightened export-control policy adopted March 1 will fit only partly the choke-down in shipments to Soviet-dominated Eastern Europe.

Purchases of industrial goods which might add to Russia's war potential will continue to be banned.

Social Security Seen Vote Issue—Coldwell

REGINA, May 12.—(CP)—M. J. Coldwell, CCF leader, said Tuesday night social security probably would be "the most real issue" in an election campaign this year.

"Many fine promises were made by our present federal government in this regard back in 1945," he said in an address transcribed for Saskatchewan broadcast, "but... an overall social security scheme was promised the people by the Liberal party at its last national convention in 1919."

Import Restrictions Boost Dealer Profits

By William Wilson
OTTAWA, May 12.—(CP)—Sharp increases in fruit and vegetable wholesalers' profits since the government's import restrictions became effective last November were revealed by the Prices Committee today.

Testimony and financial records of one of the largest Toronto wholesalers, Ontario Produce Co. Ltd., showed that the increases were obtained despite a heavy reduction in volume of business.

The company was represented by the general manager, R. D. Wolfe, who agreed with committee counsel Fabio Monet, K.C., that since imports were restricted he had operated at a greater profit than since 1929.

By quite a substantial margin? Monet asked.
"Yes," the witness replied.
Wolfe agreed with Jean Lesage, L. Montmagny-Leslie, that the firm's policy was to buy its produce as cheaply as possible and sell for as much as it could get.

"You take as much as the law of the market will bear," Monet said.

DISTRICT NEWS IN BRIEF

Conditions Ease At High Prairie

River Flood Danger Lessens; Grande Prairie Highway Open

HIGH PRAIRIE, May 12.—Flood conditions around High Prairie town have eased considerably, although the river continues to run almost full with drift wood floating in the muddy waters.

Following the flood of the West Prairie river at High Prairie, the East Prairie river, at High Prairie, has been opened on a wide basis which caused three washouts on the highway and stopped traffic on the S.A.R. with three washouts and the highway has been repaired and the culverts repaired with plank and a section of the highway has been opened to traffic in the morning.

Traffic is now opened through the Grande Prairie from here the river is still full but the water is receding, little damage to crops, some of the water is now in running bank full and very still, but the bridge shows no damage. Property reports previously received.

Residents of the settlements north of High Prairie, between the Prairie and West river, can now get on the highway, almost all the water has been removed, the water and had to return home the long way to Grande Prairie, where the grade is still about 12 inches above the flood.

High Prairie has become the main river channel between sections 35 and 36 and township 74, range 12 East. The north between the Flood water and West river, there is four feet of water over the bridge for a

Frank Harrison, 14, of Valdez, Ga., is the winner of the Boys' Clubs' 1948 Junior Citizenship award. Frank won a free trip to New York for his record in community service, loyalty and service to his Boys' Club and his athletic ability.

Municipality Protests School Requisition

WESTLOCK, May 12.—Notice was received at the regular meeting of the Board of Trustees of the Westlock School Division last Thursday and Friday, of a hearing by the Taxpayer's Committee in support of the Municipal District of Westlock protest regarding increases in school requisitions.

Under a recent amendment to the School Act, municipal authorities are empowered to lodge protest with the minister if school requisitions are increased 20 per cent over the previous year.

The Board approved a protest with the Board of Education in connection with distribution of assets of the original Westlock Division. Under the approved settlement, the Westlock division will pay to the Board of Education the sum of \$40,000.

Members of the Westlock Teachers' Association met with the board in a preliminary discussion regarding the salary schedule for 1948-49. The association was represented by Mr. J. H. Chiswell at the meeting.

Transportation and health services also received due consideration by the board. Due to the weather conditions, considerable difficulty was being experienced in maintaining existing bus schedules.

Resignation of J. Kelly as teacher at Clyde Lake school, due to ill health, was accepted by the board. Recent staff appointments were: W. Duschek at Estabrook, Miss Claude Hoggart at Larkspur, and E. Chiswell at Clyde Lake school.

Major portion of the second day was devoted to discussion of a long range building program. Approval was given by the board for the construction of a new school at Westlock, and a three-room school building at Larkspur.

THURSDAY STORE HOURS 9:30 A.M. TO 5:30 P.M.—DIAL 9-1-1

THURSDAY—ONE-DAY STORE-WIDE EVENT

GARDEN HOSE

Special 2.69

Take advantage of this special price on this better quality hose. 25' coils of 1 1/2" lightly braided complete with couplings.

DANDELION RAKE

City Buys Subdivision Land Back

Held by British
Company For
Last 36 Years

Property in the Windsor Park subdivision bought 36 years ago by a British land company was re-purchased by the city Tuesday for \$65,500.

Authority to complete the land deal with the company was given city commissioners at a special meeting of city council held Tuesday.

The company held 131 lots in the subdivision, and had agreed to accept \$500 for each lot. City commissioner John Hodgson told aldermen he expected to make a profit on the transaction as there was a ready sale for this property.

The purchase was made to permit the city to immediately register a new zoning plan for the area.

Following the registration of this plan the lots will be placed on the market, and it is anticipated they will be eagerly sought by prospective home builders.

ANY CHILDREN LOST OR FOUND? PHONE POLICE

Police recommended a method for recovering lost children today.

As soon as a child is lost, they said, phone police immediately or if you find a child notify them at once.

The advice resulted from an incident Sunday when frantic parents phoned to say their child had been missing for three hours.

A police message on the radio cleared the situation up immediately.

"The child had been in the home of the woman by whom she was found for three hours."

Diagrams Win Man's Freedom

When is a sidewalk not a sidewalk?

An attempt to answer this question was made by means of diagrams and a three-minute reference in police court Tuesday afternoon.

A young Edmonton motorist charged with driving over a sidewalk recently went into an involved explanation concerning driveways and sidewalks.

Magistrate Simpson in desperation called him over to the witness stand and asked him to draw a diagram.

The young motorist obliged while the magistrate and Crown Prosecutor Masson hovered thoughtfully over the drawing.

In the course of the mumbled discussion it was discovered that the sidewalk was privately owned and maintained.

"Case dismissed," signed Magistrate Simpson wearily.

Cattle To Cuba

HAVANA, May 12 (Reuters)—The National Transport Board last night authorized Rafael Castro, Cuban minister, to make 10 flights from Canada to Cuba with cargoes of livestock cattle.

CHRISTIE GRANTS

Better Service - Better Values

Fun and Funds Galore at City Arena!

LONG WINTER UNDERWEAR was donated by Mrs. Bert Roginbald, of St. Albert, at Tuesday night's Fun Parade at the Arena. Master of Ceremonies Roy Ward Dickson tells the mother of two little girls she must sell doughnuts on city streetcars at a penny each. She did and walked away another happy winner.

CUTEST GAL EVER to undress in front of 8,000 people was Delores Weidman, 11825 79 street. Curvaceous young lady is shown with Roy Ward Dickson after she changed on stage from street clothes to above bathing suit—under a hot tarpaulin, of course. Quick change was worth a 17-jewel wristwatch to her.

TWO HOUSEWIVES who admitted they were "fat and over 50" had the comparatively easy job of unrolling rolls of paper tissue. They were Mrs. Laura Gray, from Mirror, and Mrs. Alvin Scamsted, 10839 80 avenue. Making their job harder are Fun Paradeers Freddie Crang and Lee Moran, both of Toronto. Photos by Hild

High Praise For Vocalists

Ruth Cullerne, soprano, received 88 marks in the open operatic class at the Edmonton district musical festival Tuesday evening. This is the highest mark yet given in solo work.

In awarding this mark to Miss Cullerne, Adjudicator Max Pirani said that her rendition of Je Diu Que Rien Ne M'Empoivre from Carmen would win a high place in any operatic class in any festival.

Verna Weaver, with 88 marks, placed second in the operatic competition. "A truly lovely contralto voice," Mr. Pirani stated, adding that she showed very good operatic style and considerable promise.

Vocal duets were given by Gladys Melchior and Lorna Chin who were awarded 88 marks and who were given 84 marks.

Crystal MacDonald captured top honors Tuesday afternoon in the class for sopranos 19 years and under. She was awarded 86 and 88 marks for an "expressive" performance.

Sherell Lanyon was in second place with 84 and 86 marks and was praised for the fine quality of her voice.

Two things Mr. Pirani wanted to impress upon this class were first, that the audience likes to know what singers are singing about, and second, that most singing troupeurs are due to their breathing.

Ivy D. Miller, baritone, was told by Mr. Pirani that he had won a good job on his voice and that his work is promising. He was awarded 86 marks each for his two solo pieces.

Other vocal results included: Mezzosoprano, 19 and under, Irene Belland, Bonnyville, 164; Mildred Eyle, 161; Mezzosoprano, 22 and under, Margaret Debois, 158; Contralto, 19 and under, Vivian Williams, 152; Baritone, 19 and under, John Gohel, Athabasca, 151.

8,000 EDMONTONIANS Gyros Provide AT BIG MIRTH FEST Fun For Kids

"CUPID" DICKSON AT FUN PARADE GIVES MAHER 'ICE'

Imagine proposing to your beloved in front of 8,000 people!

Billy Maher of the Edmonton Flyers did just that, Tuesday night.

Billy and his fellow hockey stars attended Roy Ward Dickson's Fun Parade at the Arena last night. He was called on stage to participate in the game as a "volunteer" (the ship Flyer forward was practically hoisted up by his team-mates).

The 2nd called for two couples giving steady, not engaged, but willing to be. Maher and his girl, Flora Reid were one of the couples.

Billy had to lie on his back on the floor and drink a bottle of milk through a 6-foot rubber tube. Flora held the milk above him.

It was a split decision with the other couple, so each pair got diamond engagement rings.

Then Roy Ward Dickson asked the bashful Flyer how long he and Flora had been going steady.

"About five years," he quipped.

Flora blushed with pride. "Then propose right now," said Dickson.

Before 8,000 people Billy mumbled a big impromptu proposal into the mic phone. Flora accepted (and what else wouldn't?). Billy proved the winning ring on her left hand, and under, Margaret Debois, 158.

Contralto, 19 and under, Vivian Williams, 152; Baritone, 19 and under, John Gohel, Athabasca, 151.

Other vocal results included: Mezzosoprano, 19 and under, Irene Belland, Bonnyville, 164; Mildred Eyle, 161; Mezzosoprano, 22 and under, Margaret Debois, 158; Contralto, 19 and under, Vivian Williams, 152; Baritone, 19 and under, John Gohel, Athabasca, 151.

Other vocal results included: Mezzosoprano, 19 and under, Irene Belland, Bonnyville, 164; Mildred Eyle, 161; Mezzosoprano, 22 and under, Margaret Debois, 158; Contralto, 19 and under, Vivian Williams, 152; Baritone, 19 and under, John Gohel, Athabasca, 151.

Other vocal results included: Mezzosoprano, 19 and under, Irene Belland, Bonnyville, 164; Mildred Eyle, 161; Mezzosoprano, 22 and under, Margaret Debois, 158; Contralto, 19 and under, Vivian Williams, 152; Baritone, 19 and under, John Gohel, Athabasca, 151.

Other vocal results included: Mezzosoprano, 19 and under, Irene Belland, Bonnyville, 164; Mildred Eyle, 161; Mezzosoprano, 22 and under, Margaret Debois, 158; Contralto, 19 and under, Vivian Williams, 152; Baritone, 19 and under, John Gohel, Athabasca, 151.

Other vocal results included: Mezzosoprano, 19 and under, Irene Belland, Bonnyville, 164; Mildred Eyle, 161; Mezzosoprano, 22 and under, Margaret Debois, 158; Contralto, 19 and under, Vivian Williams, 152; Baritone, 19 and under, John Gohel, Athabasca, 151.

Other vocal results included: Mezzosoprano, 19 and under, Irene Belland, Bonnyville, 164; Mildred Eyle, 161; Mezzosoprano, 22 and under, Margaret Debois, 158; Contralto, 19 and under, Vivian Williams, 152; Baritone, 19 and under, John Gohel, Athabasca, 151.

Gay Crowd Joins In Hilarious Fun

By Dick Sherbourne

Edmonton's Arena was jammed to the rafters with nearly 8,000 Edmonton and district laugh-lovers Tuesday night to see Roy Ward Dickson and his Fun Parade.

Proving that everybody has a little of the theatrical ham in them, about 150 audience volunteers donned everything from bloomers and bathing suits to long underwear and raincoats to provide laughs for their fellows.

For them it was worth it! The gagsters were rewarded, of more than \$2,000 worth of prizes, from refrigerators to diamond rings.

Some plain luck. Miss G. Pierce, 11538 70 street, got a 60-piece diamond ring set when she had her name drawn from an entry book.

E. H. Poole, 12907 121 street, exclaimed "Wow!" when his name was drawn. No wonder he won an electric washer, electric alarm clock, and a clothesline and pulley to go with the washing machine.

But, gosh, there's always a cloud in even the sunniest sky. Fun Parade rules state that prize-winners have to give their names home with them. Fun Parade couldn't provide a trucking service, too.

HOW TO GET HOME When I left the Arena after the night's activities, Mr. Poole, wondering how he was going to get his washing machine home, Mr. Poole was crying. Leslie won a round record-player carefully, and a refrigerator won by D. N. A. Harry, 8001 80 avenue, found a truck to take it home.

STRENUOUS JOB Mr. and Mrs. W. K. McKay, Leslie, won a \$500 cash prize, automatic record player, and a slightly used Christmas tree. To get it they had to dance into each other's clothes, then find a Mr. Gluckenshneider somewhere in the arena. Mrs. McKay was crowned queen.

PROVINCIAL STUDENT WINS SCHOLARSHIP

A student at the University of Alberta, J. E. Mayhew, Calgary, has been awarded a \$500 Ontario Research Council Scholarship.

The scholarship is one of 50 worth more than \$50,000 announced today by the council.

Twenty-five Canadian students from Ontario who will study at Ontario universities, who will go to Ontario to study.

The scholarships are awarded by the Ontario government to stimulate interest in research as a career.

BEANS IN BOTTLE BRING TO BARRY BONUS COLD BOX

Some guys sure know how to use the old bean.

Take D. N. A. Harry, 8001 80 avenue, for instance.

At Tuesday night's Fun Parade at the Arena, he won a \$300 refrigerator for "beans."

One of the two dozen contests in the Fun Parade was the guessing of the number of beans in a big glass jar.

The 8,000 people in the audience wrote their guesses on special coupons, and handed them in during the show.

There were 36,252 beans in the jar, according to Leslie Reid.

Mr. Barry was just four beans out of closer than any guesser in Canada has come in Fun Parade history.

The guess of 36,021 beans won the big.

Three Big Permits Boost Building

Three permits for construction of housing accommodation involving the expenditure of \$150,000 were issued Tuesday by the city engineers' office.

P. O. Quackenbush, contractor, 2001 20 street, took out a permit for \$65,000 covering the erection of frame and stucco apartment block at 1401 121 street.

The building will contain 15 to 20 units.

D. J. and Peter, contractor, took out five permits, each for \$20,000 covering dwellings to be erected in the 117 block on the street.

W. L. Link contractor, took out a permit for \$25,000 for the construction of houses in the 101 block on 121 street.

Board Asks Better Roads

Even the Edmonton Public School Board is seeking to have the conditions of city roads improved.

Trustee R. H. Rae Thursday night introduced a motion to have the school board approach city authorities with a view to obtaining all-weather roads leading to schools.

An members of the board agreed that the condition of roads leading to some schools is not satisfactory and a committee of three was appointed to interview city committee.

The board felt that it would mean a change in policy of the city regarding improvements in most cases it is not only the roads adjoining school grounds that must be improved.

Mr. Rae said, "There are some schools that have been built for 20 years and that need weather you can not reach them by car or truck."

Mr. Rae's recommendation resulted in a special committee of the board being appointed to discuss with proper city authorities the conditions of roads leading to schools and to explore the procedure to be followed to remedy these conditions.

D. S. Scott Wins Research Scholarship

Donald S. Scott, son of Mr. and Mrs. R. Scott, 12501 31 street, has won a research scholarship offered by the University of Alberta.

Mr. Scott graduated from the University of Alberta with a Bachelor of Science in 1946, and was awarded a degree in 1946.

Poole Bid On Annex Gets Okay

City Accepts Offer For South Side Job At Lowest Tender

Approval was given Tuesday by city council to its addition to the South Edmonton telephone exchange to cost approximately \$67,000.

Contract was accepted the tender of the Poole Construction Co. Ltd. at \$67,000, submitted by the company.

It was the lowest of five bids submitted.

Other tenders were: Christensen and Macdonald, \$67,300; Hume and White of Edmonton, Ltd. \$77,200; Floyd Olson, \$79,000; and Alberta Construction Co., \$79,800.

The Bennett and White and Alberta Construction Co. bids were made on the condition that the contractor be responsible for the cost of the telephone exchange.

Superintendent of the Poole Construction Ltd. was responsible for the construction of the exchange. It is the lowest of five bids submitted.

BROOM TRADED FOR TRICYCLE

A woman who traded her broom for a tricycle was arrested today.

He questioned the man and decided not to accept his story that he had traded a broom for it without further investigation

SHOPPING GUIDE

New Fresh Asparagus Sells in City Marts

By Reg Thiffly

Riding the crest of the thriving vegetable wave this week is green, flavorful asparagus.

Selling now for 45c a pound, prices will slide as quantities increase.

When you buy it look for firm brittle stalks with clean compact tips. A tender stalk is brittle and is easily punctured.

Charter Changes Sought by City

Perpetual Frontage Assessment On Hard Surface Roadways

Charter amendment empowering the City of Edmonton to charge a perpetual frontage assessment against all property served with "hard surface" roadways fronting and abutting property will be sought at the next session of the provincial legislature.

Aldermen Tuesday instructed the city commissioners to apply for the charter amendment, but restricted the authority it granted.

Council also authorized paving assessment changes designed to speed-up construction along flankage and also to lessen taxation burden on corner properties.

In future corner lots will be required to carry only 15 per cent of the flankage cost instead of the 23 1/3 per cent formerly assessed.

However, frontage lot assessment will be increased by eight per cent to compensate for this concession.

PAVING CHARGE HIGHER

Also paving will be increased from 32 cents a frontage foot to 36 cents, and curbing from 6.1 cents to seven cents a foot.

Under the proposal a 50-foot corner lot would be assessed \$6.13 less than under the present assessment and inner lots about \$2 more than at present. Flankage paving costs against a corner lot would be decreased by \$0.67.

The assessment changes will make it necessary to re-advertise the 1948 paving program in the opinion of T. E. Garande, R.C.

The flankage assessment changes apply to public parks, and family, two family and local business areas.

The commissioners suggested that the new corner lot flankage assessment apply also to properties

zoned as three storey, six storey multiple dwelling districts, and areas zoned as three storey business, light and heavy industrial which are not being used for these purposes.

In the event these properties are used for their zoned purpose they shall immediately become subject to regular assessment on such properties, the assessment charge to remain in effect during the lifetime of the debenture issued to cover the cost of the paving.

HARDSHIP WORKED

This concession was granted because of hardship worked on small business places on corner lots along the 107 avenue and 124 street paving projects and was made retroactive to apply to the 1947 paving.

The flankage assessment changes also will be applicable to sidewalks construction, grading, graveling and boulevarding.

First Period Tax Payments Are Lower

Land taxes prepayments on the first installment from May 1 to May 31 totalled \$200,000.34 compared with \$205,157.21 for the same period last year, a decrease of \$5,156.87.

Total tax collections to May 31 this year is \$2,217,330.39 compared with \$2,048,522.25 for the same period of 1947, an increase of \$168,808.14.

MORE MILK CREAM, BUTTER IN PROVINCE

Producers in Alberta in the past two months, it was reported in first crop figures issued by the provincial department of agriculture Wednesday.

Creamery butter production in May 26, 26 26 per cent.

Prices have been satisfactory, the report states.

Special grade cream at Edmonton has been priced at 71 cents compared with 52 cents (including subsidy) at this time last year.

Boys' Band To Perform

Edmonton School Boys' Band will present its 22nd semi-annual concert May 15, 14 and 15.

Concepts, by band's total membership of 140, will be staged in the Westgate Auditorium and are scheduled for 8:15 p.m.

The performance will be divided into three sections: Junior, senior and massed band.

The program includes overtures and novelty numbers in addition to martial music.

The band's drum majorettes will do show routines, including a blackout number with lighted batons, and flag twirling displays.

Since the band's organization in 1926, it has trained over 600 boys. So far as its organizers know, it is the largest band of its kind in Canada.

It will compete again this year in the Calgary Exhibition and Stampede, of which it was the official band in 1947.

The group is directed by T. B. Newhouse and D. W. Murray.

School Board Boosts Salaries of Teachers

Teachers in Edmonton public schools are to receive increases in salaries. Changes in salaries of the teachers were approved Tuesday night at the regular meeting of the board.

Basic salary of a teacher only holding a certificate is unchanged, but the maximum which the teacher may earn has been increased by \$25 per year from \$2,720 to \$2,745.

In the cases of teachers with extra University training ranging up to five years, the minimum has been increased by \$50 for each year. This means that the minimum for a teacher with one year of training has been increased \$50 from \$1,725 to \$1,775 and in the case of a teacher with five years of training, the initial salary has been increased \$250 from \$2,475 to \$2,725.

Maximum salary for each teacher has only been increased \$25 per year, but a teacher will reach the top wage in shorter time under the new schedule.

PRINCIPALS' ALLOWANCE

In 1947-48, principals received \$1,000 for each room over a total of 10 and up to 10 in addition to the \$100 for each room up to 10 rooms already being paid.

All salary changes will be retroactive to Jan. 1, 1948.

Jasper Place School Requests Govt. Aid

Provincial government will consider requests for financial assistance for West Jasper Place school, said Jean C. Casey, minister of education, said Tuesday.

Mr. Casey and W. R. Frame, chief superintendent of schools for Alberta, met with West Jasper Place school board Monday night to hear representations for financial assistance.

Board stated that West Jasper Place has 24 school rooms and 1,000 students. Another increase in school population is expected next year.

The board asked for government assistance to relieve the crowded conditions.

ALL IN A DAY'S WORK is title of photographic exhibition by Eric Bland, Bulletin staff photographer, in window of Krenge's. Subject of photos runs from sports to fires, security to portraits. All story taken on news assignments for The Bulletin. Exhibit shows how news cameraman must be versatile, able to take any kind of picture.

France Looks to Canada For Larger Trade Ties

NEW MINISTER ASSUMES DUTIES

Don Dr. J. L. Robinson, newly appointed minister of industry and commerce, arrived at his residence Tuesday to assume his new duties.

The new minister was conducted on an inspection tour of government offices by K. A. Fosh, deputy minister of industry and labor.

Street Repairs Now Underway

Repair of the estimated \$100,000 damage caused to Edmonton's streets by unseasonable weather has started in many sections of the city.

Six motor patrols from the city engineer's department, and several street repair vehicles hired from contracting firms have started a cleanup of the damage.

Paving of 124 street from 102 avenue to 118 avenue is progressing rapidly and is expected to be completed by the end of this month.

Following the completion of this project the Crown Paving Company will start on the widening of 115 avenue between 16 street and Fort Trail.

More Low Cost Homes Needed, Builders Told

Alberta needs 6,000 housing units immediately.

Pelops of these homes must be brought within the range of low income purchasers, to eliminate the appalling conditions in "temporary" housing units, and to provide more adequate homes.

These statements were made by J. F. Crowder, Toronto, manager of the National Home Builders' Association, at the spring dinner of the Edmonton Home Builders' Association held Monday.

Mr. Crowder said a combined effort by housing contractors is necessary to alleviate the housing shortage in Edmonton.

Mr. Crowder said a combined effort by housing contractors is necessary to alleviate the housing shortage in Edmonton.

France looks to Canada for new trade ties as prewar markets disappear.

Norman E. Spencer, Canadian Pacific Railways agent for France, said in Edmonton today that only current dollar shortage troubles prevent an increased flow of trade between the two countries.

Mr. Spencer said that the dollar shortage is the only barrier to an "educational tour."

His home is in England.

Victims of the Christian Democratic forces in Italy in recent elections has reassured the French nation, the visitor said.

Southern France has been a stronghold of Communism and if the Reds had carried the election in Italy the situation in the French Riviera section would have been critical in the view of Mr. Spencer.

France has worked opposite to Britain in lifting wartime controls.

As a result, clothing, shoes, wool, cotton, eggs, vegetables and fresh fruits are not under controls.

Bread is rationed and there is little milk or meat for adults.

Children receive one cup of milk per day per person.

The French nation has done a remarkable job of rebuilding from ruins of the war.

The railways are rendering good service again although most large railway yards were knocked out by bombing and more than 2,000 bridges were destroyed.

Production of glass, coal and steel is above 1938 levels.

Canada is affectionately thought of by the French people.

Six-Year-Old Boy Bruised By Auto In Traffic Accident

Six-year-old Don Birdsell, 11140 87 avenue, received bruises and cement burns as a result of a traffic accident about 4:35 p.m. Tuesday.

Mrs. H. M. Thomson, 11008 82 avenue, told police she was driving south on 112 street and when entering the intersection at 87 avenue the child ran from behind a truck into the front fender of her car.

She took the boy to the University hospital.

He was released following treatment.

Graves of Canadian war dead are tenderly cared for in all parts of France.

Visitors from Canada are warmly welcomed.

Mr. Spencer was assistant to the C.P.R. agent in Paris at the outbreak of the last war.

ESCAPED FROM PARIS

He escaped from Paris with the Nazis at the gates on June 12, 1940.

Spencer cycled for six days and six nights and escaped to England from La Rochelle port in southern France aboard a British coal ship.

There were 1,500 troops and 80 civilians aboard the vessel, which took four days and four nights to reach England.

The "passengers" lived on sardines, brandy and chocolate.

At the end of the war Spencer was naval rail transport officer in Ceylon.

"Do we have to argue at breakfast too?"

Does it take "just a word" to start a quarrel these days?

When sleep fades you—and morning finds you so moody and irritable at the night before—don't let this state of mind become a habit.

For Nature intended you to sleep well and get all the benefits of natural, beautiful rest. But for one real reason you are not.

That's why so many are annoyed when they start taking Dr. Chase's Nerve Food regularly. Yes, want a change! For

this time-proven tonic does much more than just build up a run-down system, by increasing appetite and improving digestion. You rest better, too. And the Vitamin B1, iron and other essential minerals it contains are frequently prescribed to supply elements you lack.

Give Dr. Chase's Nerve Food a chance to help you. And soon you'll find it easier to laugh off worry and trouble—because you're resting, looking and feeling so much better. Remember, the name "Dr. Chase" is your assurance.
